Chris and Suzy offer four delightful en-suite bedrooms decorated with warmth and style. Guests can expect finishing touches such as bathrobes in the room, fine linen, complimentary sweets, TV, tea, coffee and much more. Guest feedback confirms that we provide the ideal setting and atmosphere to truly relax. Often guests were sad to leave and wished they could have stayed longer. Email facilities allow guests to contact friends and family from the computer in the lounge or use the fully equipped kitchen to prepare their favourite dish. A takeaway meal like crayfish or roast chicken also often goes down well with a glass of Kaikoura wine. Guests can relax in the lounge with a favourite book or grab a new book from our book-swap library. We also provide cards, games, garden petanque and puzzles. The outdoor Jacuzzi has proven popular on many occasions and is there for all to enjoy. Having operated for two seasons, we recommend a minimum two nights stay to enjoy all that Kaikoura has to offer, but also to avoid disappointment because the many marine activities are very dependant on the weather. Hosts - Chris, Suzy, daughter Annabelle (1 yr) and Fatty-cat!
