

Kāikoura, Canterbury

# Manakau PurePod

## Getting there

The Manakau PurePod is situated in a vast landscape with perfect views of the mighty Seaward Kaikōura Mountain Range. It is only 20 minutes inland from Kaikōura and 2.5 hours north of Christchurch.

## On the farm

Driving into the Manakau PurePod carpark is the start of your unique PurePods adventure as you ford small streams on your way to the secure carpark near the farmhouse.

## Walk & unwind

The winding 900m walk uphill will take about 15 minutes. Manakau PurePod sits on a spur in a paddock with Kanuka trees for company and birds singing all day long in the nearby gullies.

## AN UNFORGETTABLE EXPERIENCE

Treat yourself to an unparalleled off-the-grid getaway in our collection of glass eco-cabins, situated in remote and awe-inspiring havens throughout the picturesque landscapes of New Zealand.

The Manakau PurePod has stunning views of the Seaward Kaikōura Range including the highest peak, Mt Manakau, after which this PurePod is named. This mountain range dominates the landscape in the Kaikōura region, along with the nearby coastline with its abundance of marine life.

Explore the marked trails on the steep hills behind the PurePod, reaching heights of 500 meters. Add an optional picnic lunch to your booking and venture up the track for magnificent views.

Alternatively, unwind on the deck or in the nearby shade, savoring the tranquil solitude.
