About us

Russell and Jane Nelson

Following two successful business careers including Russell's extensive experience of farming sheep, cattle and alpaca in New Zealand we find ourselves living in Kaikoura, hosting Shearwater Apartments, as part of our property on the waterfront.

Extensive travelers ourselves we pride ourselves in providing guests with a first-class experience.

Living on-site allows us to meet and greet guests and to assist with restaurant bookings, and activities where required, to enhance their stay.

Hosting is in our DNA

Tania Jackson is local with excellent knowledge of the Kaikōura area and is responsible for all reservations and commercial enquiries for Shearwater Apartments. Please contact her on **+64 (0) 27 256 8775** or e-mail **info@shearwaterkaikoura.co.nz**

Tania is very responsive and generally replies to enquires within 24 hours.

The Hutton's shearwater is a magnificent seabird of the petrel family, and indigenous to the Kaikoura area. Many visitors enjoy the coastal walk to see the conservation areas and breathtaking coastal views.
