

Be The First To Greet The New Day In A Spectacular, Private Zipline & Helicopter Adventure

Join us for an extraordinary experience, brought to you by South Pacific Helicopters and EcoZip. This exclusive, private adventure invites your clients to welcome the new day in unforgettable style – from the skies above Kaikōura to the treetops of Rakanui Station.

In the stillness of pre-dawn, guests will be transferred to Kaikōura's airfield, just 15 minutes south of the township. Following a swift check-in and comprehensive safety briefing, they'll take to the skies aboard South Pacific Helicopters' EC130 Eurocopter – a premium, spacious aircraft boasting panoramic windows, perfect for soaking up the scenery.

The flight heads inland across shimmering lakes, braided rivers, and rolling plains, towards the rugged Seaward Kaikōura Ranges. Here, guests will touch down for a unique photo opportunity and raise a glass of champagne to toast the sunrise, surrounded by the grandeur of the mountains.

Lifting off once more, the journey continues along the dramatic coastline towards EcoZip's base at the picturesque Rakanui Station – a working Kiwi hill-country farm. With a bit of luck, whales or dolphins may be spotted playing in the deep blue of South Bay.

Upon landing at Rakanui, guests will be welcomed by their personal zipline guides and fitted for their next adventure. With the world still waking, they'll enjoy a private zipline tour through native bush, moving at their own pace. Each moment offers the chance to savour the tranquillity, birdsong, and spectacular views, with the Kaikōura Peninsula slowly coming to life in the distance.

Following the final of five exhilarating ziplines, a short walk beneath the native canopy leads to the waiting vehicle for the return journey to Kaikōura.

To commemorate the experience, five eco-sourced native New Zealand trees will be planted on behalf of each guest – a living legacy that connects them forever to the land, the people, and the spirit of Kaikōura.
