TOP 'N' TAIL EXPERIENCE

Tour Description

From whale tail to mountain top, this flight has it all covered and is one of our favourites! Enjoy whale watching of Kaikoura's marine mammals, to head to the mountains fly high above Kaikoura. Land amongst the towering Kaikoura Seaward Ranges. From here you will take in some of the most breath-taking views that New Zealand has to offer. (Snow landings in winter).

View west to the mountainous Kaikoura Seaward Range, east over the Kaikoura township to the iconic Kaikoura Peninsula, stretching out like a whale's fluke and south down a coastline that stretches for miles. On a clear day you can even glimpse the North Island on the horizon! See the different colours of water along the coastline where the fresh silty water comes out of the rivers and mixes with the salty seawater.

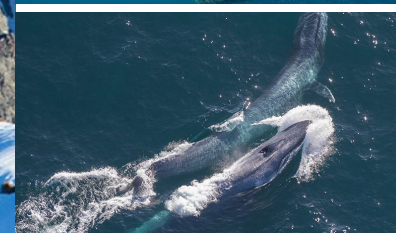

Weather permitting you may view landslides and large cracks along the hill-sides from the 2016 earthquake. Keep an eye out for wild deer traversing the mountainside, as we fly around the remote Seaward Kaikoura mountain range.

GRAND ALPINE TOUR

Tour Description

An incredible experience, capturing the best of Kaikoura's magnificent views of coastal shores, unique landscapes, towering mountain ranges that rise above 8000ft. Your tour will depart from our beach front helipad, heading north along the rugged Kaikoura coastline, before we head into the Seaward Kaikoura Mountain Range, the second largest mountain range in New Zealand with peaks as high as 8,500ft.

Your pilot will find a secluded spot high up in the mountains to land, either on top of the skyline with breath-taking views out over the Clarence Valley or nestled right in amongst the mountains in a small clearing only accessible by helicopter.

After re-boarding the helicopter, we will venture through the mountains on track to the summit of Mt Fyffe, where we will touch down again. Here you can get out of the helicopter and breathe in the fresh air and soak up 360 degrees of mind blowing panoramic views of this unique and special place - where the mountains meet the sea.

HELI-JET EXPERIENCE

Tour Description

Departing from Kaikoura Helicopters stunning beachfront helipads, look back upon the township that is wedged between the South Pacific ocean and the Kaikoura alpine ranges.

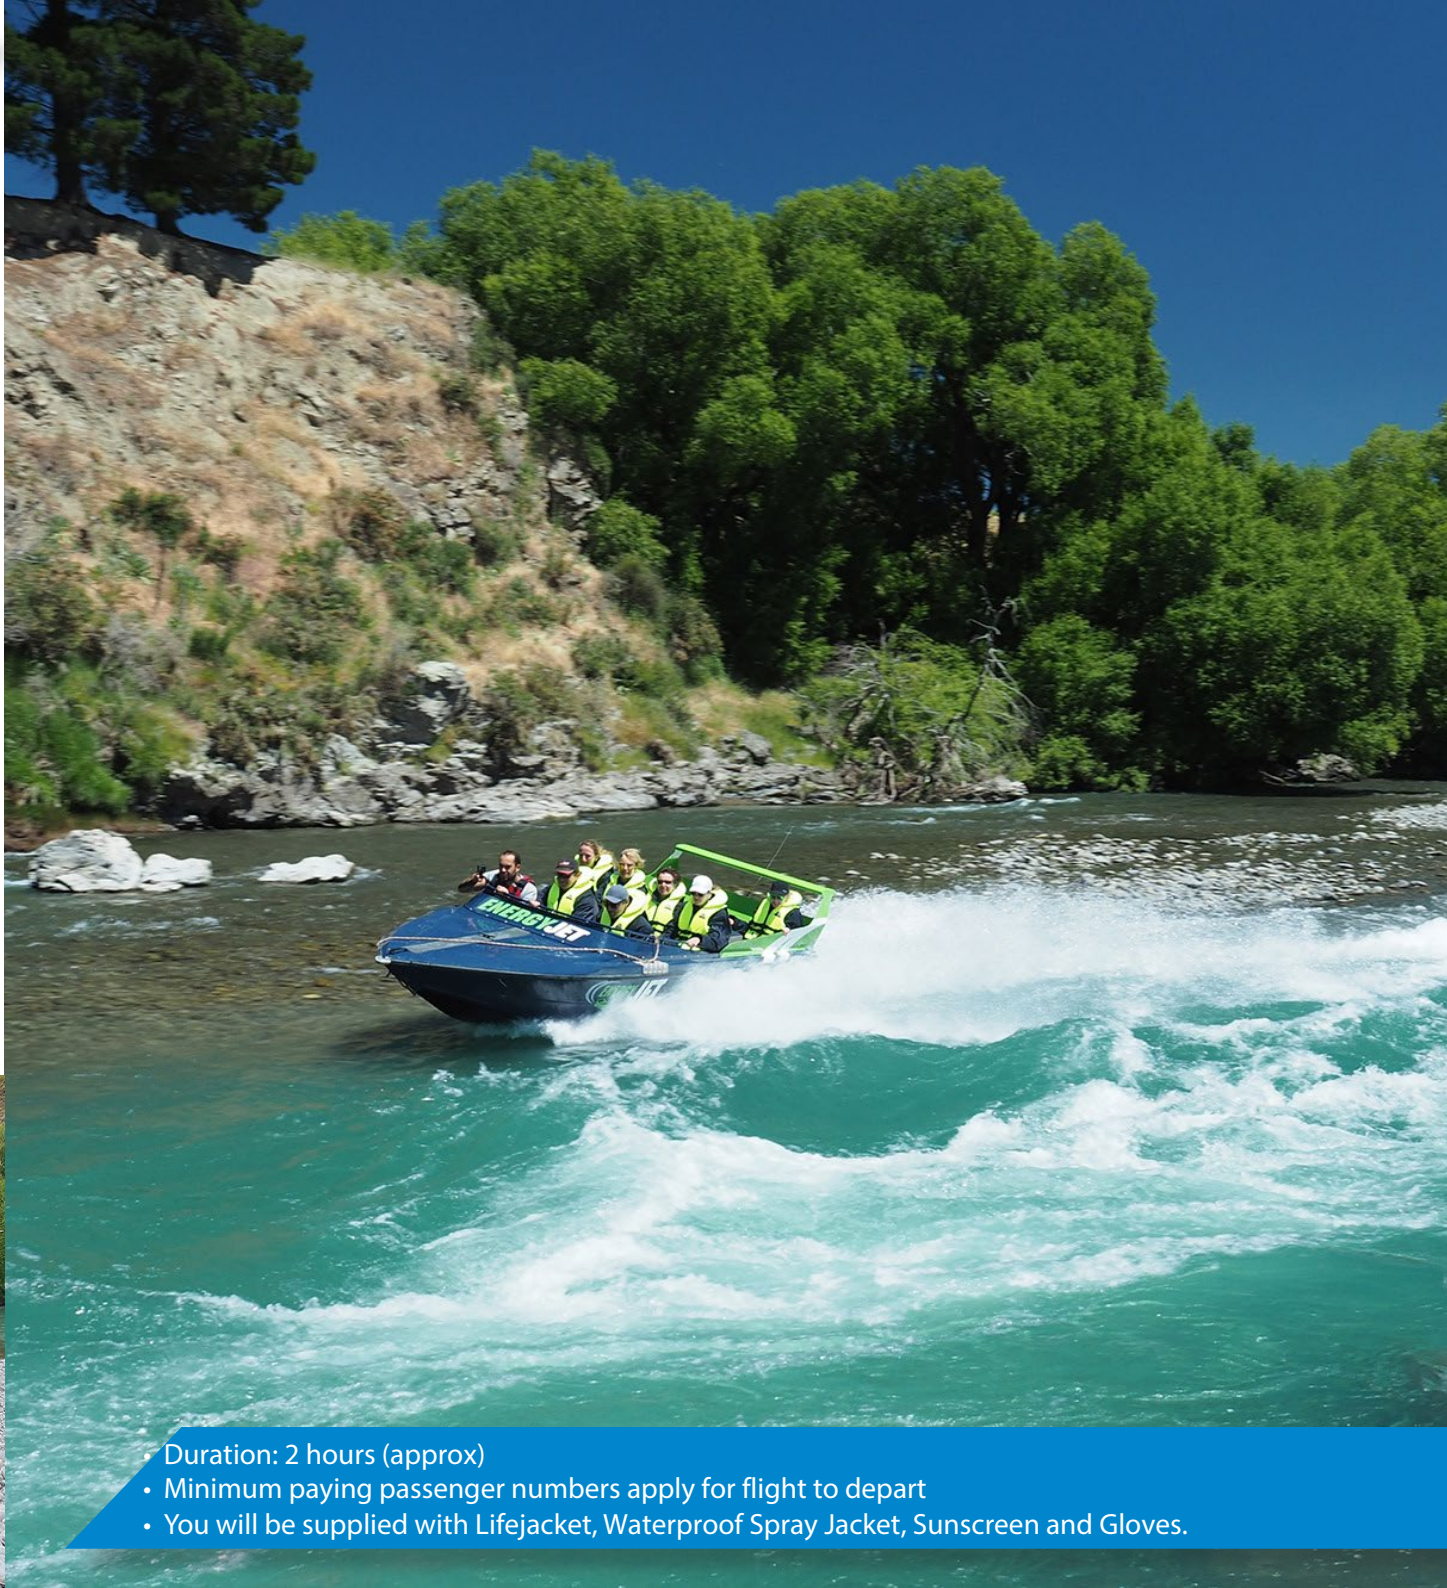

Look down on the winding road through the Hundalees Hills and over the local winery of Mt Beautiful Vineyard, to then land at the river and board your jet boat.

Travel up the stunning Hurunui River gorge on a 30 minute return trip with Energy Jet, which is owned and operated by Tim Loughnan, a fifth generation sheep and beef farmer in the area.

Tim expertly navigates Energy Jet's late model Kwikkraft jetboat through shallow river braids and dramatic canyons at heart-pumping speeds, with 360-degree spins and drifts thrown in for good measure. On completion of your jet boat experience, board your helicopter for the return flight north via the Hurunui river mouth and along the coast to Kaikoura.

WHALE WATCH HELI-GOURMET

Tour Description

Experience the best of Kaikōura – whales, rugged mountains and fine dining. Lifting off from our beachfront helipads, we head out toward the Hikurangi Marine Reserve in search of the incredible wildlife in our waters.

When finished searching for whales, we will head West across the coastline and inland over the Kaikoura flats on our way into the Seaward Kaikoura mountains. Your pilot will point out landslides and cracks through the mountainside, caused by the 7.8 Kaikoura Earthquake back in 2016 and any wild animals you may pass before finding a remote landing site to set down. Take the opportunity to get out of the helicopter and soak in the magnificent views and breathe in the fresh air.

Once you have taken your photos, it's back into the helicopter to fly down and out of the mountains, along the Hapuku River to land at the amazing Hapuku Lodge. Here you will be treated to a 3 course a la carte lunch at their beautiful restaurant.

To end your experience, we depart from Hapuku Lodge and fly down the beautiful coastline back to our beach front helipads.
