A HINAU TRACK

Duration of walk: 45 minute loop walk

How to get there: Transport required. A 10 minute drive from the Kaikoura township turn down Ludstone road which merges into Red Swamp Road. Turn left onto Postmans Road and follow until the base of Mount Fyffe car park.

Intensity: Short walk. A well-formed track that is suitable for families.

Description of walk: The loop takes you through an unusual forest with a number of large hinau trees. There are also many mahoe, putaputaweta, broadleaf, tree fuchsia and pigeonwood. For a contrast in vegetation the track passes through a stand of kanuka.

Facilities available: Car park, picnic area, toilet.

Important information: Gravel roads as of Postmans Road. Part of the drive to the walk is driving through riverbed.

B PUHI PUHI RESERVE

Duration of walk: 30 minute return loop.

How to get there: Transport required. 12ks north of Kaikoura turn up the Puhi Puhi Valley a gravel road and follow for 6km.

Intensity: Short walk. Easy access.

Description of walk: A flat loop track through a scenic reserve, lowland Podocarp forest. The natives trees that reside here can be up to 1000 years old.

Facilities available: Car park, picnic area, toilet.

Important information: The valley is a gravel windy road.

C FYFFE-PALMER TRACK

Duration of walk: 1 hour and 15 minutes return loop.

How to get there: Transport required. A 10 minute drive from the Kaikoura township to the Mt Fyffe Road carpark.

Intensity: Moderate.

Description of walk: The start of the walk is steep through farmland then the track takes you through the regenerating forest of Fyffe-Palmer Scenic Reserve. Excellent views looking back over Kaikoura before you enter the forest.

Facilities available: Car park.

D KAIKOURA PENINSULA WALKWAY

Duration of walk: 3 hours return loop.

How to get there: Starting at the Kaikoura i-SITE.

Intensity: Moderate, well maintained.

Description of walk: A stunning walk over the Kaikoura Peninsula on a well maintained track with interpretation panels on the way with viewpoints and amazing views. Starting at the Kaikoura i-SITE, follow the road for about 50minutes towards Point Kean seal colony. From here walk up onto the cliff top and follow the well-marked track along the cliff top towards South Bay. After South Baytrack, follow Tom's track up over the arm of the peninsula and back into the township.

Facilities available: Car park, picnic area, toilet.

Important information: Please respect the seals as they are wild creatures. Don't get between them and the sea. Keep your distance.

E MT FYFFE

Duration of walk: 8 hours return to the summit

How to get there: Transport required. A 10 minute drive from the Kaikoura township turn down Ludstone Road which merges into Red Swamp road. Turn left onto Postmans Road and follow until the base of Mount Fyffe car park.

Intensity: Hard.

Description of walk: The track winds up to fantastic views of Kaikoura's peninsula and farmland at 1602metres above sea level. Another option is to go to Mt Fyffe Hut (5 hours return) or the lookout point near a firepond (2 hours return). Both have stunning viewing opportunities.

Facilities available: Car park, picnic area, toilet.

Important information: Gravel roads as of Postmans Road. Part of the drive to the walk is driving through riverbed.

F KOWHAI BIKE TRAIL

Duration of bike: 2.5 - 4 hours.

How to get there: Starting at the Kaikoura i-SITE.

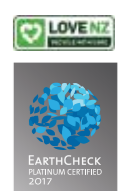

Intensity: A well-formed track that is suitable for families.

Description of bike: Starting at the Kaikoura i-SITE, turn right onto Killarney street, then left onto Scarborough street and down South Bay track; in South Bay turn right following the road until the South Bay turn off by the Racecourse on State Highway 1. Look for the Kaikoura Cycle signage by the park bench and that leads on to the limestone track. The trail follows its way along between the road and ocean to the Kowhai Bridge. The trail follows a mix of single track and gravel stop bank riding to the Mt Fyffe car park.

Facilities available: Car park.
